

Jamie Lee

Product designer & curious thinker.

I turn complex problems into useful, thoughtful digital experiences.

SELECTED EXPERIENCE

Senior Product Designer

North Studio | 2023-Present

Making everyday tools feel effortless.
Leading product discovery and interface design
from the first sketch to the finished experience.

Product Designer

Common Ground | 2020-2023

From early ideas to things people use.
Collaborating with small teams to build clear,
approachable products and design systems.

WHAT I DO

Product strategy
User experience
Interface design
Design systems

A little about me

I care about the small details that make a product easier to use.
My favourite work brings together clear thinking, good craft, and a useful idea.
